

DIRECTOR OF WEST 8 BRUSSELS MAARTEN VAN DE VOORDE TO SPEAK AT SOIRÉE ÉCOUTÉE

14-03-2017

On the 22nd of March 2017 [Maarten van de Voorde](#) will be main speaker at the 'Soirée écoutée', part of the annual Existenzweek in Leuven, Belgium.

Existenz is an organization managed by future architects in the master of Civil Engineering-Architecture at the university KULeuven, Belgium. Existenz aims to be a platform where architecture can be inviting and accessible to everyone.

During the Existenzweek all sorts of activities linked to architecture in the broadest sense of the word are organized. Both architecture and non-architecture students can enjoy themselves in several creative workshops and participate in interesting lectures. There is a variety of atmospheres, where socializing and creativity are merged. The week is also about creating a place where one can work, relax or simply do nothing. A vacant bus terminal near Leuven's central station serves as the backdrop for the events.

Location: Near Diestsepoort 15, Leuven, Belgium

Time: 20.00 – 22.30

Entry: €10,- / €6,- for students
