New Leadership West 8 New York

In 2016 West 8 was pleased to appoint a new leadership team in the New York Studio. [Claire Agre](#), RLA, Principal-in-Charge and [Daniel Vasini](#), Creative Director bring a total 18 years' experience at West 8 in New York and Rotterdam. Their combined portfolios reflect the breadth of work executed by West 8, from major parks and public spaces to international design competitions and Academic inquiry studying resilience, landscape narratives, urban design and 21 century culture. Together they lead a talented multi-disciplinary team in West 8's New York Studio.

We thank you for your support in 2016 and wish you a fruitful 2017!
