

WEST 8 PARTICIPATES IN TCLF'S 16TH SILENT AUCTION

30-09-2020

This month, West 8 is participating in an online silent auction organized by the Cultural Landscape Foundation (TCLF) with an artwork from the latest phase of Houston Botanic Garden.

A series of three framed images, the triptych is an abstraction of the upcoming Culinary Garden, which showcases the universal nature of agriculture, cultivation, wellness, and cuisine. Looking from the garden table, this view shows the multi-layered fountain as the symbolic heart of the garden's activity.

The Cultural Landscape Foundation's Sixteenth Annual Silent Auction runs from the 21st of September until the 5th of October. The collection features artworks donated by landscape architects, architects, artists, photographers, and other practitioners.
