

WEST 8 TO PRESENT AT THE 2013 DIGITAL LANDSCAPE ARCHITECTURE CONFERENCE

03-06-2013

On the 8th of June Christian Dobrick, senior project manager, landscape architect and horticulturalist at West 8 will present a lecture titled 'Second Nature - Landscape Architecture for Human Beings' at the 2013 Digital Landscape Architecture (DLA) Conference in Bernburg, Germany.

Landscape Architects and Planners from more than 30 different countries will attend the conference, which is in its 14th year. The focus of this year's conference is collaboration and transdisciplinary planning.

Held from 6 till 8 June, 2013 by the Anhalt University, The DLA 2013 will include more than fifty lectures, exhibitions of vendors, poster sessions and hands-on workshops.
